LOANS AND ADVANCES POLICY

Preamble

The Reserve Bank of India is empowered to issue licenses to Non-Banking Finance Companies (NBFC) and further to issue directives/advises on loans and advances and other aspects regarding conduct of loan accounts from time to time. With liberalization in the financial system and deregulation of interest rates, NBFCs are now free to formulate loan products within the broad guidelines issued by RBI.

RBI directives can be studied in detail in various Master Circulars issued from time to time.

This policy document on loans and advances outlines the guiding principles in respect of formulation of various products offered by the WCIL and terms and conditions governing the conduct of the account. It is expected that this document will impart greater transparency in dealing with the individual customers and create awareness among customers. The ultimate objective is that the customer will get services they are rightfully entitled to receive without demand.
